We're so glad you could join us for worship this morning. *Please note the following precautions we are taking to provide a safe and encouraging experience for all worshipers today (which may vary slightly depending on which service you are attending).*

Seating: As we practice social distancing, it is essential that we each honor the comfort level of our fellow worshipers. Maintain approximately 6 feet of space between you and others with whom you are not regularly exposed (e.g., family). Only sit in the seats that are not marked off by tape. Large families may require a full row so it would be helpful to seek a row that already has someone else in it to leave room for whole rows for families as you are able.

Ministering to children: We are prayerfully considering best practices for re-establishing discipleship opportunities for our children. At present, we are not offering our Children's Church, nursery, or Sunday school classes on Sunday mornings. The nursery is available for parents and their youngest children at any point during the service should you need it. There are sections marked off with tape in the Nursery to help provide social distancing for you and your child. You are encouraged to bring your own toys, snacks, diapers, etc. since all nursery items will be removed.

We thank God for every child and would be delighted to have your child in the sanctuary worshipping with us. Let's celebrate the little extra noise as a reminder of God's covenant faithfulness!

General Health: If you or a family member have had a temperature in the last week, experienced any symptoms of illness, or been exposed to someone with Covid-19 in the last 2 weeks, please return home and seek medical guidance on a safe return with us. If you begin to cough, please cover your mouth with the mask.

Masks: Mask wearing is *required* when entering and exiting the building and whenever singing for the 9 a.m. service. It is *recommended* when entering and exiting the 10:45 service but *required* during singing portions of the service. If you cannot wear a mask due to various health reasons, simply refrain from singing.

Exiting the Service: Please exit the building immediately following the benediction and continue fellowship in the parking lot at a safe distance.

OH, HOW GOOD IT IS

Oh, how good it is when the family of God
Dwells together in spirit, in faith and unity.
Where the bonds of peace, of acceptance and love
Are the fruits of His presence here among us.

Refrain:

So with one voice we'll sing to the Lord;
And with one heart we'll live out His Word.
Till the whole earth sees the Redeemer has come
For He dwells in the presence of His people.

Oh, how good it is on this journey we share,
To rejoice with the happy and weep with those who mourn.
For the weak find strength, the afflicted find grace,
When we offer the blessing of belonging.

Repeat Refrain

Oh, how good it is to embrace His command
To prefer one another; forgive as He forgives.
When we live as one, we all share in the love
Of the Son with the Father and the Spirit.

Repeat Refrain
